WESTERN EXPANSION

Across

- a person who shares the good news of Jesus Christ to a foreign country even at the risk of losing their life.
- people who are owned and forced to work for another person with out payment or rights.
- when the US expanded its territory towards the West.
- an engine that moves by its own power.
- the eighth President of the United States.

Down

- someone who is one of the first in a culture to explore or live in a place.
- the tenth President of the United States
- a large covered wagon used by pioneers to cross the prairies.
- a list of events and their dates, shown from left to right along a horizontal line.
- a record of a person's experiences, thoughts, or daily events; diary.
