

# Camping Mad Libs

Once a \_\_\_\_\_ [unit of time] we go camping. Our favorite spot is Mount \_\_\_\_\_ [noun], located in \_\_\_\_\_ [destination].

We spend all day hiking up the \_\_\_\_\_ [adjective] path before setting up camp near Lake \_\_\_\_\_ [noun]. First, we pitch our tents

on \_\_\_\_\_ [adjective] ground. Then, we put our food in \_\_\_\_\_ [plural noun] to protect it from \_\_\_\_\_ [animal plural].

Next, we gather \_\_\_\_\_ [noun] to start a fire with. Come nightfall, we roast \_\_\_\_\_ [food plural] and tell \_\_\_\_\_ [adjective] stories.

There is nothing like the \_\_\_\_\_ [adjective] outdoors.
