a copy of a letter as  
it happened to come  
across, I have only noticed

Mr. Prichard, is natural  
to many of you trying to bring  
the matter to a final settlement  
and the first thing that I  
noticed when I saw your letter  
of the 20th was that you  
were speaking of a settlement  
of the matter. I am sorry to  
hear that you are not getting  
any further in your efforts  
to bring about a settlement.  
I am sure that you will  
continue to work for it until  
it is accomplished. I am  
sincerely yours,  
W
