Wegel status:	Wegel had health problems
Memory:	For me, memory is still good, though
Wegel disease:	The disease did not affect my memory or my judgment ability.

Registration 3: This event is open to all participants. Non-members are welcome to register as spectators. The entry fee includes meal tickets. No money is charged.

Response:	Do you think your dog is really any more intelligent than another dog like ours? Why?
Magnusson:	They are dogs, another reason they probably aren't very smart.
Magnusson:	They can't think, another reason they probably aren't very smart.
Magnusson:	They don't have enough brain cells. Dogs have fewer brain cells
Magnusson:	than we do, so they're not as smart
