

SCRIPT & SONG LYRICS

The scene opens with a spaceship in the centre of the stage or this could somewhere in the hall to create interest as the audience enter. Strange space sounds/alien noises can be heard (Aliens SFX, CD track 17).

Voices of the aliens can be heard from inside the spaceship and as they emerge.

ALIEN 1 Oh dear, oh dear, oh dear. I think we can say that this spaceship is broken. *(He sighs)* I've tried everything.

ALIEN 2 Have you read the instructions?

ALIEN 1 Yes.

ALIEN 3 Have you tried the red switch?

ALIEN 1 Yes.

ALIEN 4 What about the blue switch?

ALIEN 1 Yes!

ALIEN 2 Have you tried fiddling with the thingamajig?

ALIEN 1 Now you are just being silly.

ALIEN 3 You could always try kicking it.

ALIEN 1 I've told you, I've tried everything. We have broken down!

ALIENS Oh no!

ALIEN 3 What are we going to do?

ALIEN 2 And more importantly... where are we?

ALIEN 1 Well, the computer said we were heading towards a planet called Earth.

ALIEN 4 Oh I've heard about Earth at school. Someone said there are funny creatures on Earth called... mmm... what was it... oh yes, that's it... human beings.

ALIEN 1 Right, well come on everybody... I think it's time to explore.

Song 1. WHERE AM I?

CD Track 1/9

ALIENS

Spoken

I have never seen a place like this before,
It's very strange and not like home at all!

1	<i>(Solo)</i>	Where am I?
	<i>(All)</i>	Where have we landed?
	<i>(Solo)</i>	Where am I?
	<i>(All)</i>	I think we're stranded.
	<i>(Solo)</i>	Where am I?
	<i>(All)</i>	It's not like home at all.
