Angel: „Hello, Santa.“

Santa: „Hi, my little angel. What have you got for me?“

1st Angel: „This is Michael's letter. He would like a new robot.“

2nd Angel: „This is Lisa's letter. She would like a new car.“

3rd Angel: „This is Lucy's letter. She would like a new Barbie doll.“

Santa: „Are these children good?“

Angel: „Yes, they are.“

Santa: „Hi, hi, hi. Let's prepare the presents.“

Angel: „Should we wrap the presents, they put them into paper bags?“

Santa: „Always, because...“ Hi, hi, hi. „Should you say angels?“

Angel: „Not at all. Here is your present.“

Santa puts the present under the tree.

Children come to the door and take the presents.

Child 1: „This is a new robot.“

Child 2: „This is a new car.“

Child 3: „This is a new Barbie doll.“

Everybody: „Thank you, Santa.“

After the play we are going to sing „People don't forget me.“

I hope all the presents will be it.
