## Princess Games & Activities

### Slipper Relays

Fill a box with several pairs of slippers — all styles and sizes.

Two teams, each consisting of four to six players, must find the proper pair, put the slippers on and properly walk the red carpet and join their team members on the other end of the red carpet.

### Princess Poise Relay

Make two paths 10-15 feet apart.

Have your princesses line up in two groups.

Place a book on the head of the first princess in each row.

See which row of princesses can walk down to the line and back with the book properly poised on their head.

### Enchanted Jewel Hunt

Hide a number of treasures all hidden around the tea room or in the yard for your guests to "hunt" for.

Give each of your guests a purse or treasure box to hold all of their precious jewels in.

### Dress The Princess

Fill a big box with a variety of princess clothing.

Have teams try to properly dress an adult princess within 5 minutes.

### Create A Crown

Have an adult help you and your guests decorate and create their very own crowns. Provide a selection of glitters, jewels, markers, trapezoid-decorate with.

### Crowning Ceremony

At the end of your games and activities, hold a crowning ceremony to honor your guests and their accomplishments.

## A Wish Circle

Have all your guests stand in a circle, facing each other.

Each guest crosses their right arm over the left and holds hands with the person on either side of them.

The hostess of the tea starts with thinking of a special wish for the princess on their right hand side.

She wishes this wish by gently squeezing the guest's hand.

This continues around the circle until a wish is returned to the host princess.

The host princess thanks her guests for attending her enchanted tea party and then sways the wish circle by spinning to her right, raising her hands above her.

### Crown Toss

From a six-foot distance, see if your guests can toss their crowns over the distance.
