

# The Four Seasons - Printables

Have you ever used an abacus board ruler to measure length?  
 Today you are going to make your own ruler to measure length!

Get a ruler and use the gaps as a guide to draw the lines. Keeping the gaps the same. This will be your abacus.  
 Then use your compass to draw the circles. Use the ruler to measure the radii of the circles.  
 (See diagram on the inside line card!) Use black felt tip pen in the line card!)

How long is your pinkie finger? \_\_\_\_\_ inches/cm  
 touch with

How long is a crayon? \_\_\_\_\_ inches/cm  
 touch with

How long is a large paper clip? \_\_\_\_\_ inches/cm  
 touch with

How long is your pencil? \_\_\_\_\_ inches/cm  
 touch with

Which Season?

Draw what you like about each of the four seasons and label them. Use the lines to help you. Write the names of the seasons in the boxes below.

winter

Fall

summer

spring

Seasonal Pictures on the back of the paper. Draw a picture to go with the Fall or the Summer? Use your ruler to help you draw.

snowman

snowman

beach ball

Seasonal Pictures on the back of the paper. Draw a picture to go with the Fall or the Summer? Use your ruler to help you draw.

Fall

Summer

winter	fall
--------	------

1. In the \_\_\_\_\_  
 I spend a lot of time \_\_\_\_\_

2. I love to put on my hat \_\_\_\_\_  
 The snow during \_\_\_\_\_

3. Each \_\_\_\_\_ I help my dad rake  
 leaves in our yard. Then we take turns jumping in the pile!

3. During \_\_\_\_\_ we  
 look forward to watching baby birds hatch in the nest out-  
 side our window.

Write the name of the season of the year.  
 Put a picture in each box below.

Fall

winter

spring
