

My dear (child's name),

Thank you so much for leaving  
(eg. cookies and milk) for me.

It was just what I needed to give me extra  
energy for tonight's long delivery schedule.

You were very good about going to bed early  
tonight. When I packed in, you were sound  
asleep.

Enjoy your presents...but remember to enjoy  
this time with your family, too.

Merry Christmas...

Love,  
Mama
