

## Water bottle label 8.5x2"

Green is for the inspiration you give me each day.

Blue is for your patience in showing me the way.

Orange is for your warmth and caring style.

Yellow is for the way you always make me smile.

Red is for my life that you have touched this year.

You're a very special teacher just like this jar, that's clear.

You're a whowledge in our children's hands

and melt into their hearts and lives forever.

You're a "Magnificent" & "Marvelous" teacher.

Thank you for being my

background for sample only
