

Hop, Hop, Hop!  
Where are your  
Easter baskets?  
I've hidden them  
away!  
To find them  
look where you  
scrub a dub-dub at  
the end of the day!

- the Easter  
Bunny

Nope they're not  
here, but you're  
on the right path  
I think!

The next step  
is to look with  
the dirty dishes  
in this sink!

You've found the  
next clue, but  
no basket is here,  
just keep looking  
have no fear!  
Maybe you should  
take a look  
on the shelf where  
we keep all of  
our books!

Hmm, you've  
found another clue!  
Just keep looking  
whatever you do!  
The next clue is  
hiding next to the  
butter and cheese.  
Or by the milk and  
eggs, whatever  
you please!

You're doing  
great and I bet  
you're not far!  
How about  
looking behind  
the back seat of  
the car?

If while you are  
looking, you get  
a spot on your  
shirt,  
the next place  
to go is the  
machine that  
washes away all  
of your dirt!

I can tell you are  
close, the end  
is near I feel!  
Maybe the baskets  
will be where  
we'll eat our next  
meal?

Has this  
scavenger hunt  
been fun?  
I hope so, we're  
almost done!  
A thought just  
popped in my head  
maybe they're  
hiding underneath  
your bed!
