

*Autumn*  
the year's last  
and loveliest *smile*  
-William Cullen Bryant

The leaves fall, the wind blows,  
and the country slowly  
changes from their summer cottons  
into their winter wools. -Henry Beston

every leaf speaks bliss to me  
fluttering from the **AUTUMN** tree  
-Emily Bronte

October gave a party;  
The leaves by hundreds came-  
The Chestnuts, Oaks, and Maples,  
And leaves of every name,  
The Sunshine spread a carpet,  
And everything was grand,  
Miss Weather led the dancing,  
Professor Wind the band.  
-George Cooper

*change* is a measure of time  
and, in the *autumn*,  
time seems speeded up.  
What was is not and  
never again will be;  
what is is *change*. -Edwin Teale

By all these lovely tokens,  
September days are here,  
With summer's best of weather  
and autumn's best of cheer.

Oh Autumn, how I have missed you.  
Cool nights, sunny days, school starts  
as summer fades."  
~Caroline Glen

Thoughts of **LOVE**  
like **FALLING LEAVES**  
...**SWIRLING** in  
the **AUTUMN** breeze
