**THE PARTY IS BACK!**

World Dance Room: Dance with anyone, anywhere in the world in Just Dance's first-ever global multiplayer mode! Players join a real crowd—made up of real-life friends or other Just Dance fans—and compete based on a 0-100% score.

On Stage Mode: Own the spotlight in the new mode where one player will choreograph, lead 2 back-up dancers, and even sing if they want! As the star of the show, the player can take it seriously and show off how talented they are, or just goof off with friends.
