

### Instructions:

- 1) Cut Santa parts out.
- 2) Roll his body into a cone and glue tab under the opposite end.
- 3) Roll his hat into a cone and glue tab under the opposite end.
- 4) Fold Hat pom-pom (the gray outline circle) in half and glue the tip of the hat between the circles, with the fold line at the top. Once dry, hole punch the circles and thread them with a loop of string.
- 5) Glue hat on top of Santa's head.
- 6) Glue the ends of Santa's arms on the 'X's and position the hands where you want them. Glue them in place.
- 7) Tuck the top end of the legs inside Santa's body and glue in place.
