We would like to thank our friends and family for all being here with us to share our special day. It was made even more special because of your presence.

To our wedding party, thank you for standing up to be with us as we begin our new life together as well as your lifelong presence in our lives.

To our parents, words cannot express how grateful we are because we would not be who we are today without you.

And lastly, to God Almighty who graces us with His great love and blessing, we thank you.
