

christmas gift box HOW TO FOLD

Fold the corners into the centre of the square using the 'x' as a guide.

Fold the top and bottom edges into the middle

Unfold and turn the paper around. Fold the now top and bottom edges into the middle

Fold each corner in.

Unfold the top and bottom. Stand up left and right sides. Reverse fold the top to tuck in the sides and fold the flap over, making the top side of the box

Repeat the reverse fold and tuck to make the bottom side of the box.
