

SANTA CLAUS

Dear Cassidy,

The Pop-in Kins elf that has been sitting on your shelf has been giving me nightly reports of your behavior. For the most part, you have been a very good girl, which makes me and Mrs. Claus really happy.

I do hope that you will remember to pick up your wet towels after bathtime and also to put your clothes away and brush your hair.

I am very happy to hear that you are a great big sister and help your younger brother and sister whenever they need it. They are very lucky to have a terrific big sister. Rudolph wishes you lived here so you could help out around the stable!

I am so happy to be able to stop on your house on Christmas Eve. You always leave me the yummiest, most beautifully decorated sugar cookies!

The elves and I are working very hard to get everything ready in time for Christmas. We still have a lot of work left to do! Mrs. Claus is telling me that Donner just got his antler stuck in the fridge - that Reindeer is always looking for more carrots - so I must be going.

I hope you have a wonderful Christmas with your family and I look forward to stopping by your house in a few short weeks!

Love,

Santa Claus
