**Chat With Chloe**

**Dear Chloe,**  
I have to point out my friends are my paintings are terrible... what should I do?

Hi! You can make your happy! If the answer is yes then I say why does it bother what your friends say? Being able to express your creativity is a gift... a real great gift! And to keep on your art you looking around on anything... I say paint away! Besides, art is completely subjective... being in the eye of the beholder... you can't make a universal's measure... do you get the point? lol!

**The Art of Giving**

The **Season of Giving** is coming up fast and what better way to show someone you care than making them a crafted gift... and to inspire you you may a little better... so get creative and make for a **CRAFTED** Season of Giving.

**RECYCLE**  
**REUSE**  
**REUPHASE**

**HEROES AMONG US**

It doesn't take a flashy costume or a fancy house to be an everyday hero. We can all be heroes in those around us in the best ways we say. Helpful things we do and the goodness of our hearts. So allow goodness to lead you... to help make a better world.
