Try and find these words:

- |            |         |             |
|------------|---------|-------------|
| Amp        | Battery | Capacitor   |
| Cathode    | Cell    | Circuit     |
| Conduct    | Connect | Coulomb     |
| Current    | Diode   | Electricity |
| Electron   | Ion     | Lamp        |
| LDR        | LED     | Ohm         |
| Resistance | Anode   | Spark       |
| Static     | Switch  | Voltage     |

This is quite a difficult word search. Some of the words go across, some up or down and some are diagonal.
