

Halloween Spells

Banishment Chant- Negativity

If you are feeling influenced by dark energies, light a black candle stand in front of a mirror and chant the following: "Any dark or evil force, May now return to it's source, May my home and I be free, Safe and well- so mote it be"

Enemy Binding Spell

"I cast this spell into the night, To bind my enemies and limit their fight. By earth, by wind, by water, by fire, I wish to stop their evil desire. The evil words and actions they spread, Shall cause them to only feel great dread. To lead this fight against their deeds, As I will, So Mote it Be".
