**A** is for Good Apples, our school has a bunch!

Volunteers and School staff, too. Helped us bloom and grow.

**B** is for Books, we read them at the finest!

Daily reading helped us grow, as readers and thinkers, you know.

**C** is for Class of: \_\_\_\_\_

The best class ever, we were told ... And, now we did grow!

**M** is for Maps. That's where it is all!

I like globes and maps. It's true. I want to learn more about Continents, and oceans blue.

**Q** is for Quietly Working

Thinking hard, working quietly. We learn so much. Make this way.

**Z** is for Zero school days left!

This grade was fun, \_\_\_\_\_ grade. Here I come!
