

Merry
Christmas

*It's the 12th day before Christmas,
And we are focusing on what's true
A daily reminder of the season,
That may brighten it for you.*

*Each day there will be something
To point your heart to the reason
Why we celebrate Christmastime
And why it's a special season.*

*So open one envelope each day,
Don't peek, that won't be fun
And together we can rejoice in
The coming of the Son.*
