

Donkey's Toasted Marshmallow Milkshake

MARSHMALLOW MILKSHAKE

2 tablespoons of plain yogurt
½ cup of milk
4 scoops of vanilla ice cream
1 teaspoon of vanilla extract
7 jumbo marshmallows
Whipped cream for topping

Start by toasting the marshmallows over a flame, or if you're a little clumsy like Donkey, in a foil lined baking sheet in the broiler. Broil until marshmallows are golden brown on all sides. If you decide to use the broiler make sure to keep a close eye on them—they have a temper like Shrek and get hot very quickly!

Mix together ice cream, milk, yogurt, vanilla extract and toasted marshmallows in a blender. Blend carefully. If shake looks too thin, add more ice cream. If shake is too thick, add more milk.

Pour into glasses and add whipped cream on top.
