

Rules of This House

Being honest is always your best option

Man or woman, girl or boy, you are expected to keep your word

If your plans have changed,
you need to tell Mom or Dad as soon as they change.

There are plenty of times to have a discussion,
you may always speak your mind.
Do it in a respectful way.

When someone is speaking, they have the floor

If you would like privileges, you will need to fulfill your responsibilities

If you want to borrow something, you will need to ask & not just take it

When you borrow something,
you will need to return it as you found it and to where you found it

There is no maid who lives here

If you make a mess, clean it up

When you take something out, put it back

If you take the last of something, tell the person who needs to know

If you break something, you will be involved in the fixing or replacing process

Electronics are a privilege, not a right
