"If you want to make good use of your time, you've got to know what's most important and then give it all you've got." - Lee Iacocca

"Until you value yourself, you will not value your time. Until you value your time, you will not do anything with it." - M. Scott Peck

"In truth, people can generally make time for what they choose to do; it is not really the time but the will that is lacking" - Sir John Lubbock

"Take care of your minutes, and the hours will take care of themselves" - Lord Chesterfield

"Don't leave for tomorrow what you can do today" - Benjamin Franklin

"More 'busyness' is not necessarily evidence of the wise use of time.
