

### OUR CLIENTS SAY IT BEST!

*"I AM FEELING GREAT! I have been detoxifying twice a week. At first I felt better physically, now I feel better mentally. Thanks for introducing me to AQUAVIDA."*

*Nancy, Beautician*

*"This is the first time in the last three years that I HAVE FELT ANY SENSATION IN MY TOES. I can also raise my hand above my head which I have not been able to do." He then brought 7 family members for a foot spa session. He was concerned about the chemicals that his beautician daughters are exposed to.*

*George, Diabetic*

*"I can work longer in my garden. My husband finds that the pain in his knees is relieved. He likes to have a session every three days."*

*Carol, Retired Teacher*

*"When I got out of the shower last night the purple discoloration on my right leg diminished, and still is this morning. BUT THE THING IS my carpal tunnel left hand is magically changed to such an extent that I am running around the house picking up things knowing that I have it in my hand. I can squeeze my hand tightly with no stiffness. I just keep flexing it with disbelief. And as I type this I can actually feel the keys with my left hand and typing speed is way up to where it used to be years ago!"*

*Dick, first session*

*"When I investigated the different detoxification footbaths, I selected this one because it is the most advanced system available."*

*Kelly Ann, Nurse*
