

# Class Rules

Make Salaam to others. This increases love.

Do not disturb when Teacher is listening to someone's Lesson. This is not fair to the one learning.

Put your hand up when you want to tell Teacher something. Do not call out because Teacher cannot hear everyone at once.

Do not talk loudly or shout. This is not polite. Talk quietly to the person next to you when given free time.

Listen when Apa is teaching. It is rude to talk to someone else when someone is speaking to you.

Do not harm anyone or their belongings with your tongue or body. Muslims are nice people!

Do not get out of your seat without Teacher's permission. This may lead to accidents.
