

Find someone who...

Always	Never
find someone who has a pet	
find someone who has a sibling	
find someone who is wearing red today	
find someone who likes bananas	
find someone who likes rainy days	
find someone who doesn't like football	
find someone who can make a joke	
find someone who likes chocolate	
find someone who likes to read	
find someone who can sing	

Teacher notes

This popular game helps students get to know each other and build class community. Students often find more commonalities than they think. This activity can be adapted for all ages and abilities.
