Spring (fronts)

What do you call a duck who plays basketball?

What do you call a bunny with a dictionary in his pants?

What does a rooster say to a hen he likes?

Do you know how bunnies stay in shape?

What season is it when you are on a trampoline?

Why are people always tired in April?

What grows between your nose and chin?

What do you call ten rabbits marching backwards?

What do ducks have for lunch?

Why is the letter A like a flower?
