

Family Rules

No tattling. Work problems out on your own, unless someone is hurt.

Do chores and homework right the first time, every time.

No rudeness, speak kindly to and of each other.

No talking back.

No yelling in the house.

No running in the house.

Do not complain, do not whine.

Keep your room clean.

If you take something out, put it away when you are done with it.

Respect each others space and stuff.

Use good manners.
