

Dear _____

I was hopping around town today and wanted to send you a letter, to say how proud I am of you! You have been a very good boy/girl this year, and you deserve to be praised. I know you will only get better as time goes by.

I know how you love chocolate bunnies, so I made a special Easter Bunny for you! Make sure you take good care of him/her. Bye for now! I love you!

Best Easter Wishes!

Your little friend,

The Easter Bunny
