

## ASL Valentine's Day Flexangle

### INSTRUCTIONS:

1. Print this image and cut along the dotted lines.
2. Crease all the solid lines both vertical and diagonal (match the arrows that point to each other). Unfold it.
3. Fold the creases to form a tube.
4. Connect the back of the "top point" areas to the "glue here" areas.
5. Add glue to the areas marked "glue here". Glue the "tabs".
6. You're done! Test it out!

Tips: Print on 8"x11" regular paper, glossy photo paper or card stock.
