

The image displays four overlapping 'Chore Chart' templates. Each chart features a grid with 10 columns and multiple rows. The top row of each chart is numbered 1 through 10. The templates are decorated with various farm-related icons: two farmers, a barn, a horse, two children, a fish, and a cow. The charts are arranged in a stack, with the bottom-most chart being the most prominent. The text 'Chore Chart' is printed at the top of each grid.
