

Spelling Bee Word Search

Here's a spelling worksheet that's a LOT of fun, and a bit tricky, too! You'll see fifty words on the word list, but only 30 of the words are spelled correctly. Only the correct words are in the puzzle.

To solve this page, begin by deciding which words are spelled correctly. Then look for them in the puzzle. Cross them out as you find them. Circle the misspelled words in the word list. Write each one correctly on the back of this page.
