

The Way I See It # 168

The human brain is the only object in the known universe that can predict its own future and tell its own fortune. The fact that we can make disastrous decisions even as we foresee their consequences is the great, unshelved mystery of human behavior. When you hold your fate in your hands, why would you ever make a fix?

— Daniel Gilbert
Psychology professor and author of *Stumbling on Happiness*

Decaf
 Hot
 Iced
 Milk
 Caramel
 Sugar

Made with 10% post-consumer recycled fiber.

Careful, the beverage you're about to enjoy is extremely hot.

This is the author's opinion, not necessarily that of Starbucks. To read more or respond, go to www.starbucks.com/waypoint.
