

BIRTHDAY HAT WITH TISSUE POMS

1. Cut out the template
2. Trace onto your pattern paper
3. Tape or glue sides together
4. Leave open hole at top
5. Tie your tissue pom* with a long ribbon
6. Feed strings from pom through the hole
7. Tape the strings to the inside of hat

Tissue Poms:

{We used 20" x 20"}

1. Layer 4 pieces of tissue paper
2. Fan fold them together, 3/4" wide until there is no more paper left to fan-fold.
3. Cut fan-fold into thirds - approx 6.66" long (3 each)
4. Tie each shortened fan-fold in half with a really long ribbon/string
5. Round off each end of fan-fold with scissors
6. Gently peel apart each layer of tissue until it forms a pom
