Thanks so much for downloading my Classroom Subject Labels! I printed these off on cardstock, laminated them, and added a magnet to the back so they stick to my whiteboard. I use these to make my daily schedule more vibrant. You can also print these on sticker paper and use as regular labels for copies, materials, or other organizational needs. If you have any questions, please feel free to contact me at [rrrbowdin@gmail.com](mailto:rrrbowdin@gmail.com).
