

## I Did It!

-	
I did my jobs without being asked	
I did my jobs without complaining	
I didn't argue with Mom or Dad	
I obeyed immediately	
I obeyed cheerfully	
I picked up after myself	
I was kind and generous I shared	
I used nice words	
I treated Mom and Dad with respect	
I treated furniture with respect	
I chewed my food with mouth closed	
I stayed in my seat during meals	
I told my parents "Thank you!" today
