

*Dear Shannon,*

*I've been checking my list and then I had my elves check it twice, and I see that you have been a good girl this year!*

*I know you are 35 years old and getting so big! Even though some days it has been difficult to be a good girl, I see that you have tried very, very hard! This is why the elves and I have made something special just for you! So try very hard to be as good as you can til Christmas!*

*Since I don't have time to write to every little boy and girl on my list, please remind Jose to be good as well.*

*I will soon be on my way to visit your house in Independence, VA. I am excited to begin my long journey to the home of the many good little boys and girls all around the world!*

*Merry Christmas and Warmest Wishes!*

*Santa Claus*
