

Basic Spell Formula

How to create your own incantations

They use any or all of the following items to create your spell.

1. or more candles (colored by the working)

Incense
1. Petals, leaves
Papers and pins
Rings
Candles
Salt
Herbs

Decorations you create.

(A simple working or object will do.)

Set up your work space.

Draw a protective circle.

Hold 1 point of light to all items.

Light candles and incense.

Write what you want or want up the paper with the pen.

Put out in clearly the end result of what you want or want.

Play incantation

By for a time and in the end result clearly.

Let candles burn down and in burn paper in a few small dish of water.

When you feel the spell has been cast.

Close eyes and sleep up.

Put down paper and all material objects to the earth. Burn out any remaining wax with items in the trash.

WIKI SPELLS FOR YOU

Forget you cast the spell as it will not work.
