

🎋 *Please* 🎋
HELP YOURSELF

— ❁ —
We're happy you're here to share our special day,
But should something happen to go astray,
Please help yourself to the contents within,
Hairspray, wipes, lotion, even aspirin!

Use what you need and leave the rest,
It may be useful to another guest.
So repair the damage that may have been done,
Then hurry on back and enjoy the fun!

*Compliments of the
Newlyweds!*
