Others who helped make this project: –

Tools (machine, needle, ruler, scissors, pins, iron, etc.)

Bayer Futura, Friction pen, Clise iron, Dupioni slider, Fiskars cutting mat/ruler/rotary cutter/embroidery scissors, machine needles: 12 Sharp & 11 Embroidery (Schmetz)

Techniques (cutting seams, hem, piecing, quilting, binding, zipper insertion, etc.)

random patchwork, straight line quilting, hand embroidery, applique, thread painting (freehand machine embroidery), machine blanket stitch L&W=E +5° default settings: Topstitch L=6

As I made this, I experienced... (sights, sounds, smells, tastes, rewards, difficulties, feelings, etc.)

This was my first experience with freehand machine embroidery & fun! The stitches don't have to be perfect to look good. I loved coming up with the Cinderella theme.
