

Are you a Vampire ?  
*I ... live on blood.*  
But I am not ... that.  
Are you kind of dead ?  
*No - can't you tell ?*

Eli, will you go out with me ?  
*What does that mean ?*  
That... you would want to be  
together with me.  
*Do you do anything in  
particular with someone  
you're going out with ?*  
No.  
*It's just like normal ?*  
Yes.

*Than we can go out.*  
*We can be together.*

*Hi. I'm in the bathroom.*  
*Going to sleep. Don't try to  
go in there, please.*  
*Do you want to meet me  
tonight ?*  
*I like you so very much.*  
*Eli.*

*Oskar, I have to go away !*

Eli pressed a kiss on Oskar's  
lips. For a few seconds Oskar  
saw through Eli's eyes. And  
what he saw was ... Himself.  
Only much better, more  
handsome, stronger than  
what he thought of himself.  
Seen with love.  
For a few seconds.

*I was feeling lonley. So I  
come here. Was that O.K. ?*  
Yes.
