Miss Moneypenny Pussycat Blouse

*Vintage HotPatterns*

What's new, Pussycat? Meeeow in this pretty-sexy Blouse in soft, fluid fabrics like crepe, chiffon, charmeuse, or crepe satin. Fitted Blouse has tie collar, front & back empire seams, gathers at underbust seam and at center back neck. Blouse features gently flared 3/4 sleeves and fitted and seamed lower panels. Wear this ultra-femme Blouse with a boucle Skirt Suit for a Chanel inspired look, or try it with a sharply fitted Jacket and a pair of sleek Pants for a funky modern-retro office outfit.
