

LEI IT ON ME

Cut out the cards below. Place them into a pile face down and shuffle. Have everyone in the room draw a card until the deck is gone. With these cards they must fill in the blanks and then place them back into a pile face down. Shuffle well.

When finished, take turns drawing a card. The person drawing must guess without answer they have found. Every correct answer earns you a lei. If someone guesses wrong they must give one of their leis to the owner of the answer. If they have no leis the game continues on without an exchange. Whoever has the most leis at the end wins.
