## November Family Project

### Digging the Turkey

Doa Turkey \_\_\_\_\_

Dear \_\_\_\_\_ Family:

Thanksgiving is almost here! Many families celebrate Thanksgiving by having a feast and eating turkey with family and friends. Thanksgiving is a fun holiday for everybody around the turkey. Please work with your child to create a digger for the turkey so he won't be eaten on Thanksgiving Day. You may choose to dig out your turkey any way you like. I am fun and make sure to include all family members in the project.

6. Decorate your turkey with materials you already have in your home. Be creative. Be as colorful as you can! There are some ideas to get you started!

- Glue
- Fabric
- Scrapbook paper
- Feathers
- Crayons
- Yarn
- Tissue Paper
- Ribbon
- Litter
- Stickers

6. On the line below the turkey, please write what digger your turkey is wearing.

7. Please make sure your child writes his or her name in the space provided.

8. When your project is complete, please return it to school so it can be shared with the class!
