"The baby's RIGHT about there!" exclaimed the doctor. With one final push, the baby came RIGHT out. (Mom) and (Dad) stared in shock.
"It looks like they weren't RIGHT about the baby's sex!" (Dad) said with a grin.
"That's all RIGHT," replied (Mom) with an exhausted sigh. "There are plenty of names LEFT to choose from."
After the doctor cleaned and bundled the baby and handed it to (Dad), (Dad) sat on the hospital bed with (Mom). Holding the baby in his RIGHT arm, and (Mom) in his LEFT, (Dad) said, "Now our family is just the RIGHT size."
