Print on bright white card stock (110 lb recommended) and cut with scissors.

Print on bright white card stock (110 lb recommended) and cut with scissors.  
Attach the top of each pennant to a strand of string, ribbon, or pipecleaner with hot glue.  
The end of each strand can then be tied or glued to a dowel.

Print on bright white paper and cut with scissors.  
Wrap the label around a water bottle and affix with glue or double-sided tape.
