CAUTIONS: Read Carefully!

Failure to follow instructions could result in fire, injury, or smoke damage. Wick must be kept centered & trimmed to 1/8" - 1/4" to prevent smoking and soot build up. Keep away from drafts and flammable materials. Do not allow matches or wick trimmings to fall into melt pool. Discontinue use when only 1/2" of Gel remains in bottom. Do not move while burning or if Gel is still hot.
