The text "Home Sweet Home" is rendered in a bold, black, serif font, stacked in three lines. The word "Home" is on the top line, "Sweet" is in the middle, and "Home" is on the bottom line. The text is surrounded by intricate black decorative elements, including elegant scrollwork and floral motifs. A large, stylized scrollwork flourish is positioned above the first "Home", and another similar flourish is above the second "Home". A decorative vine with small leaves and berries extends from the bottom right of the second "Home" downwards and to the left.
